Original

With
15" x 15" pads
or
12" x 12" pads

All % + Total

4 wheel weights + cross

STANDARD FEATURES INCLUDE:

- New lightweight satin finished aluminum pads for 2010 Made by **LMF™ - Liquid Metal Forging** process.
- Full-time display of four individual wheel weights plus cross - **OR** - ALL percentages plus total - on one easy-to-read display

- Carrying case for electronics and color coded cables
- High quality load cells ensure accuracy and repeatability to 1/10 of 1%
- NEW 15" x 15" x 2.5" scale pads with 1,500 lb./ wheel capacity - flat to .010" - with convenient carrying handle
- 2 year (limited) warranty

15" scale pads 1500 lbs Part # 110-1111
12" scale pads 1100 lb. Part # 110-1120

Only **\$969⁰⁰**
Only **'949⁰⁰**

Individual Scale Pad Levelers

- 4 heavy duty swivel feet.
 - Lightweight aluminum
- | Part # | Description | Price |
|----------|-------------|--------------------|
| 110-1037 | Set of 4 | '398 ⁰⁰ |

Scale Pad Storage case

- Convenient for transport
- Carpet-lined with steel-reinforced corners

Part #	Description	Price
110-1035	Storage for 15" pads	'199 ⁰⁰

Aluminum Scale Ramps

- Ramps for easy roll on and off
- Lightweight aluminum

Part #	Description	Price
110-1033	PAIR of Scale Ramps 2-1/2" pads	'149 ⁰⁰

Chassis Height Measurement Tool

Works 3 Ways

- 1) Car on ground - measures chassis height directly, accurate to 1/16"
- 2) Car on scale pads - measures from top of pads (ground level) to frame directly
- 3) Measures chassis height continuously, as you work on car. Magnet holds tape to frame. Indicator shows height as car moves up and down. Use 4 to quickly see chassis height at all 4 corners.

320-6025	Short model for perimeter frame cars 24"	'79 ⁰⁰ ea.
320-6027	Long model for straight rail cars on right side 36"	'89 ⁰⁰ ea.

5" Memory Tach

- 0-10,000 RPM - fast response with easy instant recall
- Light weight all aluminum case w. "U" clamp panel mount makes installation easier
- Matches our other **AccuTech™** gauges
- Can be disassembled for tech inspection

Part #	Description	Price
130-7020	5" tach	\$142 ⁹⁵

Steel Braided Gauge Lines

#4 line with #4AN female & 1/8" NPT male ends. Comes w. block fitting

200-2145	36" long	'23 ⁹⁵
200-2150	48" long	'26 ⁹⁵

Battery Jumper Posts

Color coded red (pos) & black (neg).

160-2000 (pair) '28⁹⁵

Switch Panel Components

Part #	Description	Price
160-1465	Toggle Switch w/ <u>Flip-Up Cover</u>	'18 ⁹⁵
160-1470	Toggle Switch w/ <u>Rubber Cover</u>	'19 ⁹⁵
160-1485	Starter Push Button Switch w/ Cover	'18 ⁷⁷
160-1490	Red Flip-Up Switch Cover only	'9 ⁷⁵
160-1495	Battery Disconnect Switch	'25 ⁹⁵
160-1500	Battery Switch w/ Alternator Terms.	'27 ⁹⁵
160-1505	Battery Thru Panel Connector	'10 ⁹⁵

160-1470 Toggle Switch with Rubber Cover

160-1485 Starter Push Button Switch

160-1465 Toggle Switch w/ Flip-Up Cover

160-1505 Battery Thru Panel

160-1500 Battery switch w. or w/o alternator terminals

160-1490 Red Flip-Up Switch Cover

Warning Light Systems

Race-tested and specifically calibrated for demanding race engines, **REBCO™** Warning Light Systems allow you the comfort of concentrating on driving - the system watches the engine! All Kits Include: Light, Sending Unit, "T" Fittings for Oil and Fuel Pressure Systems, 6 Feet of Heavy Insulated Wire, Terminals, & Instructions

Part #	Description - Complete Kits	Price
140-1280	O.P. 20 PSI Sending Unit (Red Light)	'20 ⁹⁵
140-1305	W.T. 230 Degree Send. Unit (Amber Light)	'22 ⁹⁵

AccuTech™ Sportsman™ quality built gauges w. solid brass CNC machined gears & lightweight steel cases. Reliable, accurate and priced right! From '29⁹⁵

AccuTech Sportsman™ Gauges

These panels use **AccuTech™** quality built gauges with solid brass CNC machined gears, lightweight steel cases, and **NEW** sharp looking modern styling. Reliable, accurate and priced right too!!!

2, 3, & 4 gauge panels - From '115⁹⁵

Memory Tach Panels

- **AccuTech™ Sportsman™** gauges
- **AccuTech™** Memory tachs
- Pre-wired with all senders and back lites

120-1250 2 Gauge - OP/WT-Tach '257⁹⁵

REBCO® Mini and Full Size Brake Bias Panels w. Liquid Filled Gauges

- (#120-4010). Measures only 4-1/4" tall, and 2-3/4" wide. Gauges are liquid filled & 1-1/2" in diameter. It has "T" fittings with bleeders for easy installation. '79⁹⁵
- **OR** - a full size brake bias panel (2-1/2" Gauges) (#120-4000) also with "T" fittings and bleeders '84⁹⁵

Heavy Duty Switch Panels

- Silver-plated contacts
- 40 amp capacity (at 12 volt)
- Weatherproof Silicone rubber switch covers **OR** flip-up safety switch covers
- Durable, thick-walled, high insulation wire
- Special high-temp, shrink-tube sealed terminals to keep out dirt and corrosion
- All panels are pre-wired with color-coded wire
- Easy instructions

150-3445 Ignition, starter & 2 accessory switches w. 3 pilot lights '57⁹⁵

150-3395 150-3410 150-3400 150-3435

- 150-3395 Ignition and starter switch (w. safety flip-up switch cover) '37⁹⁵
- 150-3410 Ignition and starter switch w. 1 pilot light '35⁷⁷
- 150-3400 Ignition and starter switch (no lites) '29⁹⁵
- 150-3435 Ignition, starter and 1 accessory switch w. 2 pilot lights '29⁹⁵

Misc. Gauge Panel Components

Part #	Description	Price
140-1330	Sending Unit Only- Oil Press. 30 PSI Adj.	\$19 ⁹⁷
140-1345	Sending Unit Only - Oil Press. 20 PSI	\$14 ⁹⁵
140-1315	Sending Unit Only - Water temp 230°	\$26 ⁹⁵
140-1368	Std. Light - 3/4" - Red	\$8 ⁹⁰

AccuLevel Digital Level

- Reads to .1"
- Can be quickly field calibrated
- Simple to use, easy to read

320-4000 **AccuLevel** digital level **'89⁹⁹**

Toe Plates

2 plates & 2 tapes
320-8976 **'61⁹⁹**

Tire Stagger Tape Measure

300-8910 10' x 1/4" **'4⁹⁹**

2" Digital Tire Gauge

- 0 - 100 psi
- Reads to .5 psi
- Rubber boot helps protect gauge
- Bleeder valve lets off excess pressure

Pressure reading is always active
Part # Description Price
280-8760 2" digital gauge **'35⁹⁴**

Deluxe Caster/Camber Gauge

To 1/4"

- All critical surfaces are CNC Machined for accuracy
- Powder coated for scuff resistance

Part # Description Price
320-8920 Deluxe Caster/Camber/Gauge w/ NEW Magnetic Adapter & case **'138⁹⁹**
320-8921 Gauge (less adapter) **'99⁹⁹**

Tire Pressure Gauges

REBCO's standard and deluxe tire gauges are built for extreme accuracy and durability.

- Bleeder lets off excess pressure
- Rubber boot helps protect gauge from damage

280-8700 2" Gauge: 0-15 LB **'24⁹⁹**
280-8705 2" Gauge: 0-30 LB **'24⁹⁹**
2280-8710 2" Gauge: 0-60 LB **'24⁹⁹**
Deluxe 2-1/2" gauges also avail. - **'36⁹⁹**
0-15, 0-30, 0-45, and 0-60 psi

IR Laser Pyrometer

- Maximum temp: 600° F

290-8746 **'76⁹⁹**

Tire Roll Out Fixture

- Check Stagger easily, accurately
- Clean or groove tires quickly
- Includes 10' Stagger Tape

320-6000 **'40⁹⁹**

Lightweight SS Polished Air Tank

FAST FILL
inlet valve fills tank in less than 15 seconds

(refilling with tire chuck can take 1 1/2 minutes of valuable practice time)

- Tops off 4 tires
- Comes w. 4' hose & tire chuck

280-8900 Tank only (w. FAST FILL Inlet Valve) **'125⁹⁹**

Toe-In Gauge

Easy-to-use and accurate. Just scribe a true line on the tire faces, then use the gauge to compare width front and rear.

320-8978 Toe-in gauge **'104⁹⁹**

True portability - no air hose to trip over

Pit Impact Gun

Cordless, high torque 24 volt
320-5100 Gun with 1 battery & charger **'239⁹⁹**
320-5180 Spare battery **'72⁹⁹**

Comes with case

1" Lug Nut Socket

320-5196 6 pt. **'14⁹⁹**

Durometer Tire Hardness Checker

Tire hardness has a major effect on lap times. As your tires get older they tend to get harder and won't stick as well.

300-8950 Durometer **'61⁹⁹**

12 TEMP Memory Tire Pyrometer Shows All 12 Temps At Once!

- Memory also stores 120 temps (10 complete sets) with instant recall
- Plug-in fast response tire probe and case included

290-8800 Tire Pyrometer w. case **'319⁹⁹**
290-8770 Replacement tire probe **'68⁹⁹**

Fast Response Single Display Tire Pyrometer

- Ultra quick update display and fast response tire probe
- Push button to 'Hold' any temp

Part # Description Price
290-8730 Tire Pyro. probe and case **'154⁹⁹**
290-8770 Replacement Tire Probe **'68⁹⁹**

Radius Plates

- Readings from 0-30 degrees - R & L
- Graduated readings in 1/2 degree increments
- Free-floating turntable design minimizes side loads on suspension (and scales!)
- Accurate readings even when "wheel center" rotation is off centerline
- Built-in handles
- Lightweight aircraft aluminum alloy

320-8954 Radius plates (2) **'649⁹⁹**
